

# HOUSEWRIGHTS

We have been so blessed this year! Thank you all for your prayers and support. We hope you all have a very Merry Christmas and a Happy New Year!

## Overwhelmed with Blessings

We were on the road the entire month of November. The first part of the month, we were in two great churches in Louisiana and had a chance to meet many wonderful people. We enjoyed our time in the state of our future church plant. From there, we made our

way up to Michigan where it was colder, but we still felt the warmth and love of sweet people in the churches we visited. We ended November in Arkansas at Kassys home church's Missions Conference. We were able to spend time with many loved ones that

through the years have invested in our family. We are very thankful for Berryville Baptist Church, the first church that took us on for support, as well as the other churches who overwhelmed us with love, gifts and kindness.

### Join what God is doing!

God is paving the way for the future church plant in New Orleans. We have had three individual families start supporting us since our last news letter, and a few churches take us on for monthly support. We are so thankful! If you haven't had a chance to jump on board please continue to pray about what part God would have you do in seeing souls come to know Christ in New Orleans.
