## Three More Months Until The Move

### The move is fast approaching.

We have set a move date of May 23, 2011. In April we have plans to secure housing. Pray the Lord will provide the right place in the right neighborhood. Things are really starting to come together. We are so thankful for the recent churches and state fellowships that have jumped on board, but we are still in need of some help.

In March we are sending out hundreds of letters to pastors, family and friends requesting a one time gift of 100 dollars from

100 people. We are praying that this will significantly boost our support and prepare us for our transition to New Orleans. Although many have partnered with us, we are still in need of people or churches to support us on a monthly basis or as a one time giver.

### New Baby Girl

We are so excited to meet our second little girl! Kassy's due date is March 14th. She has prepared everything possible at home, now we just need the little lady to arrive. Big sister Kaitlyn can hardly wait for a new playmate.

### GracePoint Baptist

GracePoint is the name of our church plant in the suburbs of the greater New Orleans area. Please be in prayer for the right facilities to use for our services.

If you haven't had a chance to jump on board please continue to pray about what part God would have you do in seeing souls come to know Christ in New Orleans.

### New Orleans Fun Fact:

"Mardi Gras" is celebrated every year in New Orleans. It is an ancient custom that originated in southern Europe. It celebrates food and fun just before the 40 days of Lent: a Catholic time of prayer and sacrifice.
