

September 2011

With the turn of the calendar we reflect on the ministry that God has allowed us to accomplish during one of the hottest summers on record. Looking back we can say that we had our best summer of ministry yet. Our attendance was up and we were able to host our first ever Vacation Bible School. We chose the theme of “Big Heart Farms” based off the fruit of the Spirit in Galatians chapter six. What a joy it was to watch the members of Lifepoint invest in the lives of the young children. Some of our volunteers were those who have been saved and baptized at Lifepoint. Now these new followers of Jesus are investing in the younger generations.

Pictured to the right is Waeland who has accepted Christ and will be baptized soon with Travis, also pictured to the right. Other fruit from this summer includes new members and those who are close to receiving Jesus as their personal Savior. We are also rejoicing in the open doors that God has given to us within our city. We were praying for opportunities to invest in our local police, firefighters and city employees. Lifepoint is hosting a memorial service for 9.11 on the 10th Anniversary and we are praying that many of these individuals will be in attendance to hear the good news of Jesus Christ.

Please join us in praying for our special service and for those without Christ to accept Him. Also join us in praying for six new solid families to join us within the next six months. These new families would allow us to wean ourselves from outside support.

Please continue to pray for the progress of this young church. We appreciate each prayer and financial gift that is given on our behalf. We look forward to sharing more blessings in the months to come.

In Christ,

Pastor Mike Brinson

Waeland

Travis
